General Statements

These statements are applicable for all the products produced by Lycored

1.	<u>BSE / TSE Free</u>	Complies with EC directive 999/2001 laying down rules for the prevention, control and eradication of certain transmissible spongiform encephalopathies. Products containing Vitamin D3 (Lanolin, Sheep Wool) are BSE/TSE Free. This is based upon supplier's declaration. All other materials supplied by Lycored do not contain, nor did they come into contact with, any animal derived materials at any stage and are suitable for vegetarians.
2.	<u>Pesticides</u>	Meets the Article of Botanical Origin <561> in the USP for pesticides. Complies with EC directive 396/2005 on maximum residue levels of pesticides in or on food and feed of plant and animal origin.
3.	<u>Residual Solvent</u>	Complies with the current USP chapter <467> for requirements on Residual Solvents.
4.	<u>Non Irradiation</u>	Has not been irradiated, treated chemically for sterilization or treated with Ethylene Oxide. The raw materials have not been subjected to the irradiation according to directives 1992/2/EC and 1999/3/EC
5.	<u>Non GMO</u>	Is not manufactured from GM raw materials and therefore is not subject to labeling under the EU directives EC 1829/2003 (Regulation on genetically modified food and feed) and EC 1830/2003 (Regulation concerning the traceability and labeling of genetically modified organisms and the traceability of food and feed products produced from genetically modified organisms).
